INNOVATION LEADER IN BEAUTY INDUSTRY

About Us //

Established in 2017, Glyph Formulations is a dedicated manufacturer of Ayurvedic and cosmetic products, committed to blending the ancient wisdom of Ayurveda with modern formulation techniques. Based in the pristine environment of Kangra, Himachal Pradesh, our facility benefits from access to pure natural resources and a rich heritage of herbal knowledge.

Our Legacy //

Founded by Dr. Ayush Verma, Glyph Formulations operates under the strategic guidance of Dr. Anil Kumar Verma, a veteran in the healthcare and wellness sector with over 25 years of experience in establishing and scaling multiple successful pharmaceutical and nutraceutical ventures. Their combined vision has positioned Glyph Formulations as a trusted partner in high-quality, effective, and ethically produced Ayurvedic and personal care products.

What We Do //

We specialize in the formulation and manufacturing of a wide range of products including:

- Herbal face washes and creams
- Ayurvedic oils and hair care products
- Nutraceutical blends and wellness supplements
- Custom formulations for third-party and white-label partners

Our Approach //

At Glyph Formulations, we uphold the integrity of Ayurvedic science while integrating modern safety, efficacy, and compliance standards. Every product is crafted with a commitment to quality, sustainability, and authenticity, catering to the growing demand for natural wellness solutions in India and abroad.

Bring unique products and formulations to the market

Fully-automatic manufacturing systems that ensure highest possible product quality

Stability-tested formulations that ensure products perform well in any climate

More than 1000 high quality natural ingredients sourced from all over the world

Innovative raw materials & ingredients to make your products stand out in the market

On-time delivery to ensure you meet your launch dates and don't run out of stock

GMP+ISO+ compliant facilities to ensure highest quality of end-products
